Summary for **LIKESXL**

Register with the referral link above

Click cockpit-profile and upload your ID. Check back in few minutes to confirm that it has been accepted

Click the likesxl logo to get into menu and click top up to pay (minimum is €50/pack but I will suggest €150 for 3 packs)

Pay with your credit/debit card

Click likesxl logo to get back to menu and click buy pack (next to topup) and complete the buying process .

Once done , click advertise -look at adverts. Tick one of the very small boxes and click the advert link. This will open an advert for 20secs with count down. Once done click surf to repeat until you have viewed 10. This you have to do daily and about same time if possible.

Money is paid into your account every 30mins (about 48cents/pack/day)

Once it is upto €50 you can withdraw (click payment ,use SEPA or request for a cashcard) or re invest by clicking buy pack.

For each pack bought you get 1500 views which you can use to promote your website or affiliates.

For more information click infomation then download. Or

Contact me .

Daily for 200seconds

Click advertisement next to cockpit

Click look at adverts

View any of the ads on the screen by checking the very small box and click what is next to it.

After 20secs, no of adverts viewed will be displayed. Click surf count to generate next 9 adverts from where to choose from. Do this until 10 adverts counted.

Repeat above about same hr daily.

To register for **ONECOIN**

www.onelife.eu/signup/DESOL

OR

www.onelife.eu/signup/tokunbo1

- Open an account using above links
- Get your account verified
- On menu, click Shop-gift code-buy
- indicate the package you want to buy (use the one with activation if buying for the first time)
- click buy, this will take you to payment page
- Note the gift code, select bank wire or perfect money (need to have perfect money account which you can also use for merchant shares) for payment
- make arrangement to pay into the account of your region

NB- YOUR REFERENCE IS YOUR USERNAME-THIS IS VERY IMPORTANT

- send e mail (contact us in right bottom of the site) to inform of payment + evidence
- check back in 3-5 days, the money should be in your cash account(menu) if it has not been used to buy tokens for you(check tokens on dashboard)
- click if the money is in cash account, click shop- enter your gift code- redeem and complete the form.

You can also buy a package or upgrade buy clicking upgrade package on the menu and follow the instruction.

Once this is done, wait until you have got maximum number of allowed splitting(doubling of tokens which is usually 8-10weeks or lesser depending on the barometer when you bought the package) for your package before sending your tokens for mining.

Contact me for further information if needed.

One coin great opportunity!

The clock is ticking! This is one of the most highly-anticipated weeks for us at OneCoin - there are only 4 days left before the switch to the new and greatly-improved blockchain, and double all coins!

learn how to buy a giftcode and redeem giftcode <http://youtu.be/BESEPPkvUv4>

For **MERCHANT SHARES** you need to register two accounts

1. Merchantshares (MS)
2. Ewallet e.g STP, NETELLER

FOLLOW THE PROCESS BELOW TILL THE END

1. <https://www.merchantshares.com/r/DESOL>

Use above link to join merchants

2a. OPEN ACCOUNT WITH neteller.com (Neteller.com is easier to join and the debit card is cheaper) or perfect money

2b. Use your present debit or credit card to pay the amount you want to invest

For Neteller.com, or perfect money you need ID and proof of address to verify your account

Once your account is verified and your deposited money is available for investment (this may take up to 24hrs) then

3. Login to merchant share, click deposit , complete the form , check the e wallet you have opened and submit.

You will be directed to the e wallet log in page.

Complete the form here - how much, authorise the payment.

4. Login to merchant share, the money shd be there now. click invest, complete the form and indicate the portfolio (Web ads, forex, stocks ,commodities) and submit. That's it.!

5. Check the TRANSFER (menu) in your Merchant shares routinely to transfer income into your e wallet from where you can withdraw or re invest again.

Hope this is useful.
